

# WANTED! 2015/2016

## Tagged Western Monarchs

A circular tag is used by volunteers of the Southwest Monarch Study, coordinated by Gail Morris, Phoenix, AZ. [swmonarchs@yahoo.com](mailto:swmonarchs@yahoo.com)

## Please Post & Share [monarchprogram.org](http://monarchprogram.org)

One of two white circular tags used in California has an ID number and requests people to e-mail Washington State University. David James [david\\_james@wsu.edu](mailto:david_james@wsu.edu)

Students from Salt Lake City and volunteers from Utah Envirothon mark the lower wings, blue-males, red-females. Ron Hellstern [redrockron@gmail.com](mailto:redrockron@gmail.com)

The Monarch Program (California Monarch Studies, Inc.) has used rectangular forewing tags since the late 1980's. David F. Marriott [monarchprg@aol.com](mailto:monarchprg@aol.com)

A circular tag is used by Monarch Alert, citizen-based researchers/faculty from Cal Poly, San Luis Obispo. Francis Villablanca [fvillabl@calpoly.edu](mailto:fvillabl@calpoly.edu)

Orange circular tags are from MonarchQuestAZ, using a telephone number. The monarchs are exclusively tagged in Southeast AZ. Joe Billings [sw.dplex157@yahoo.co](mailto:sw.dplex157@yahoo.co)
